

Coastline ROP Student Exit Survey

2016 - 2017

Primary reason I enrolled in this ROP class:

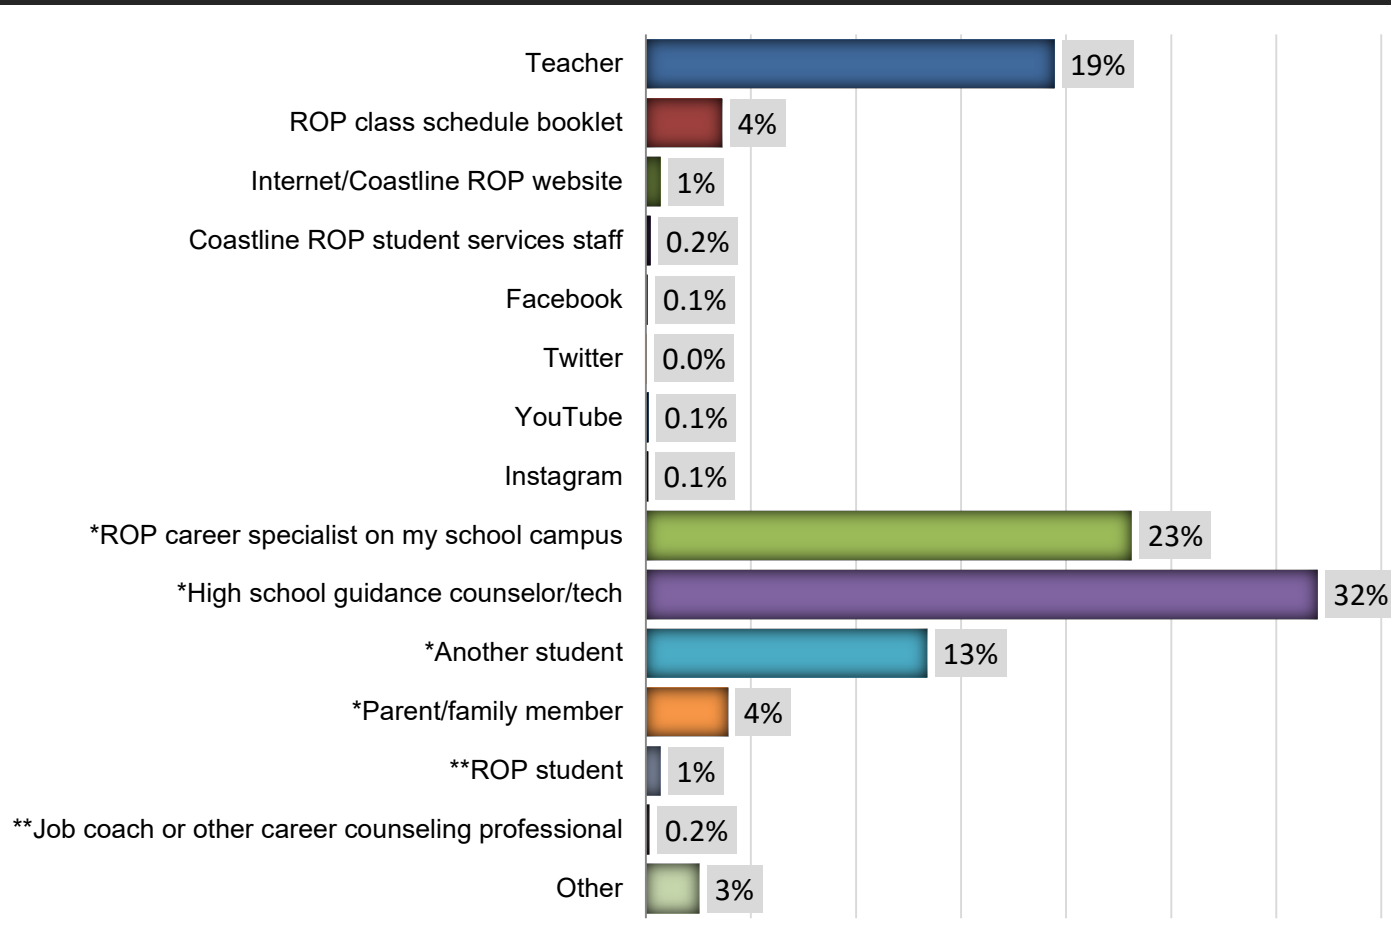

* High School Students Only

** Adult Students Only

3,189 Students Responded

I first learned about Coastline ROP from the following source:

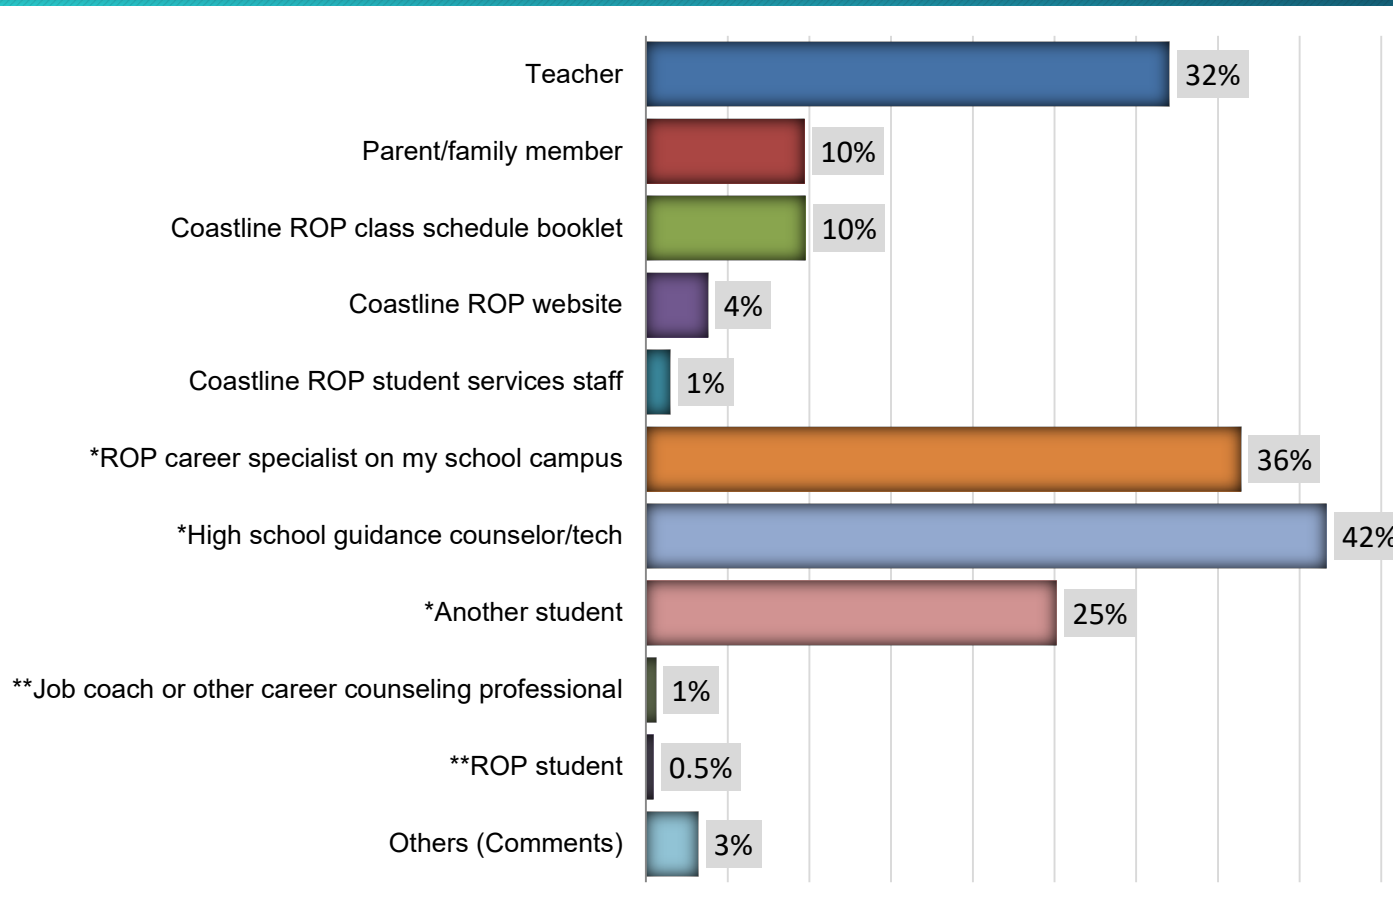

* High School Students Only

** Adult Students Only

3,283 Students Responded

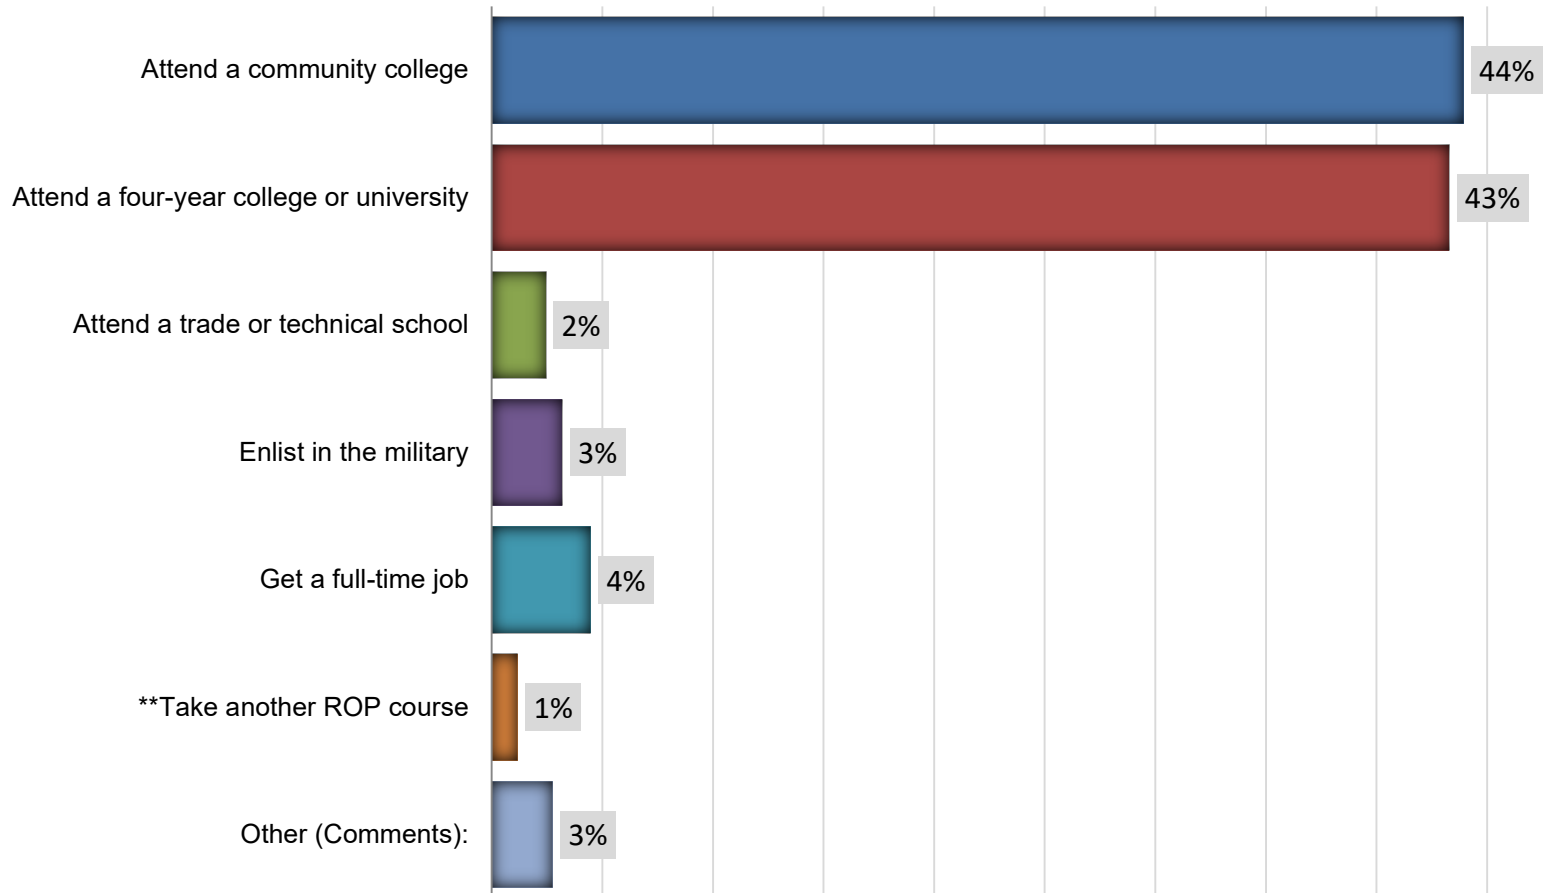

I received further information or guidance that helped me select my ROP class from:

* High School Students Only
** Adult Students Only

3,321 Students Responded

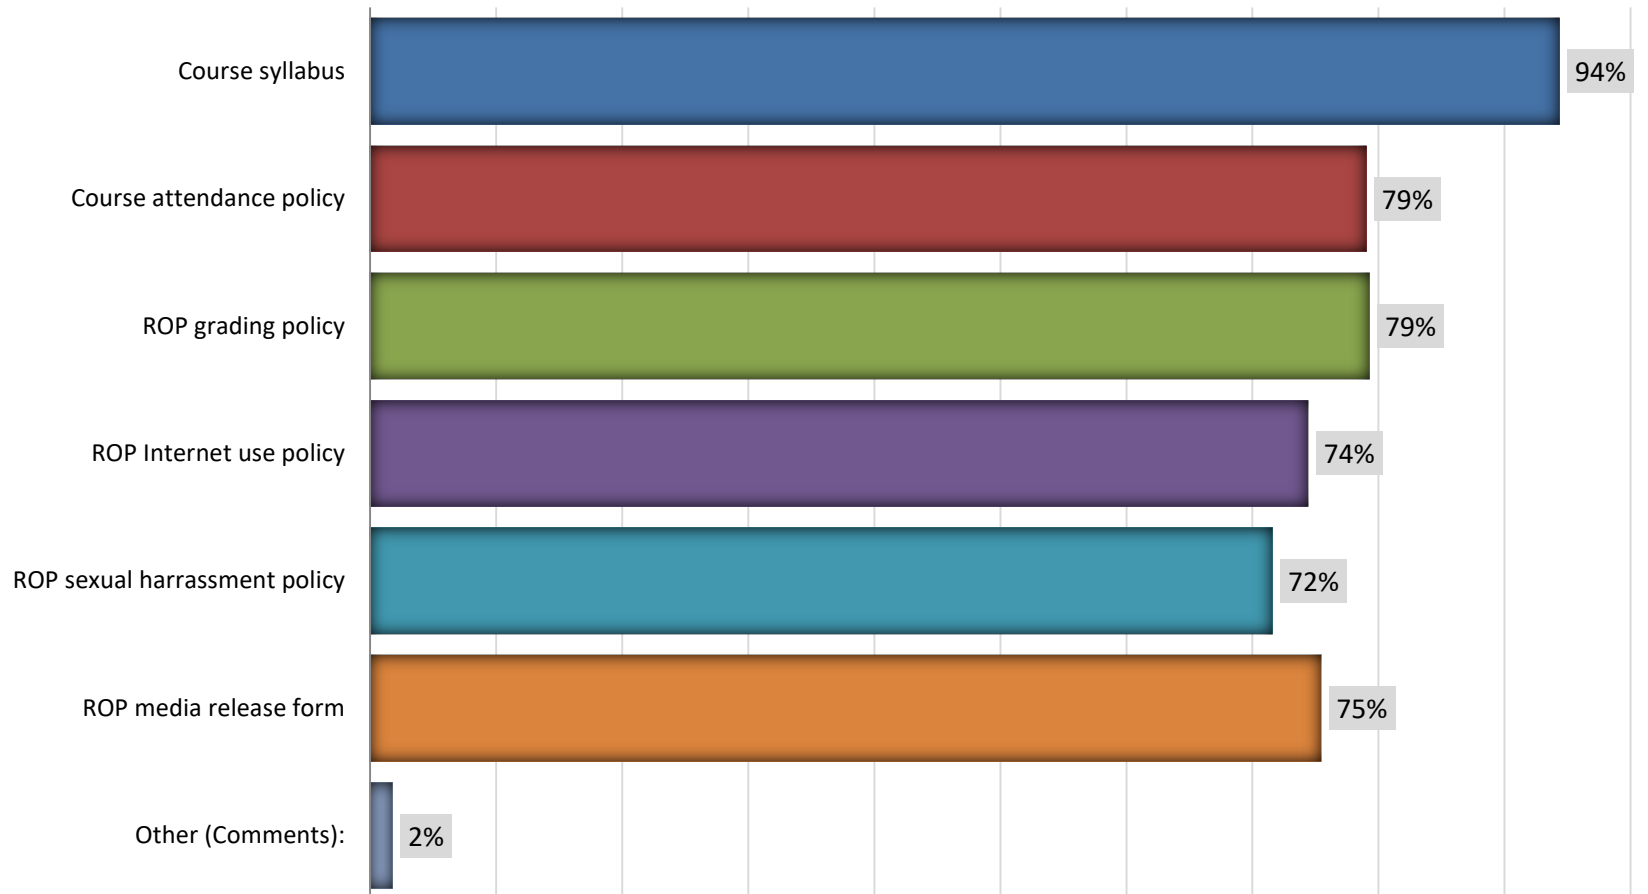

Following completion of this course I will:

** Adult Students Only

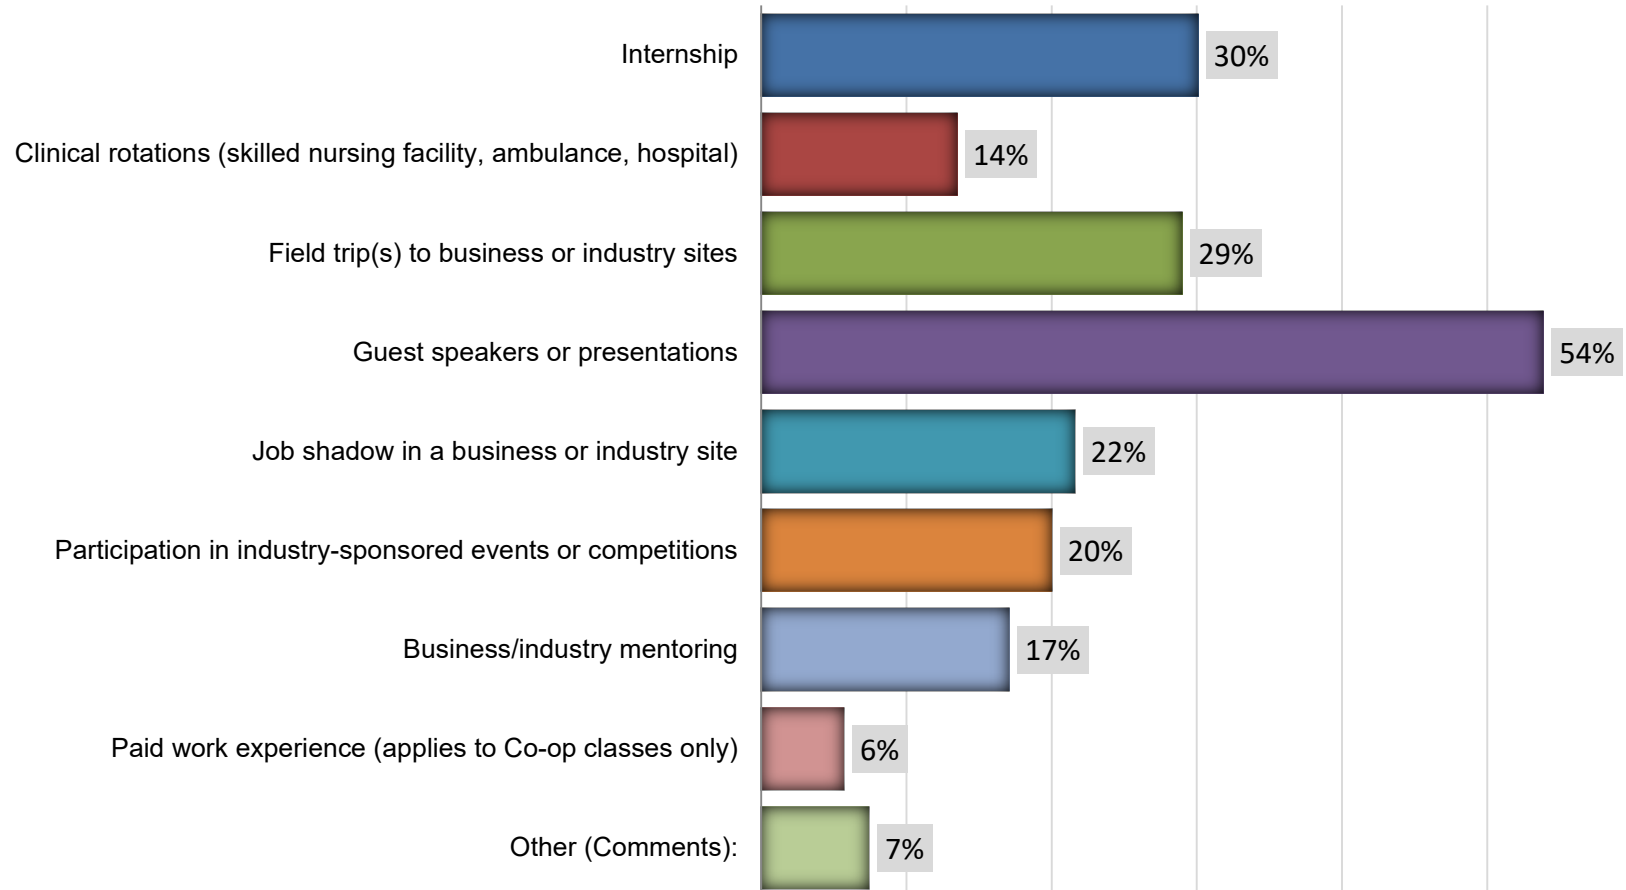

3,244 Students Responded

At the beginning of my ROP class I received the following forms for information:

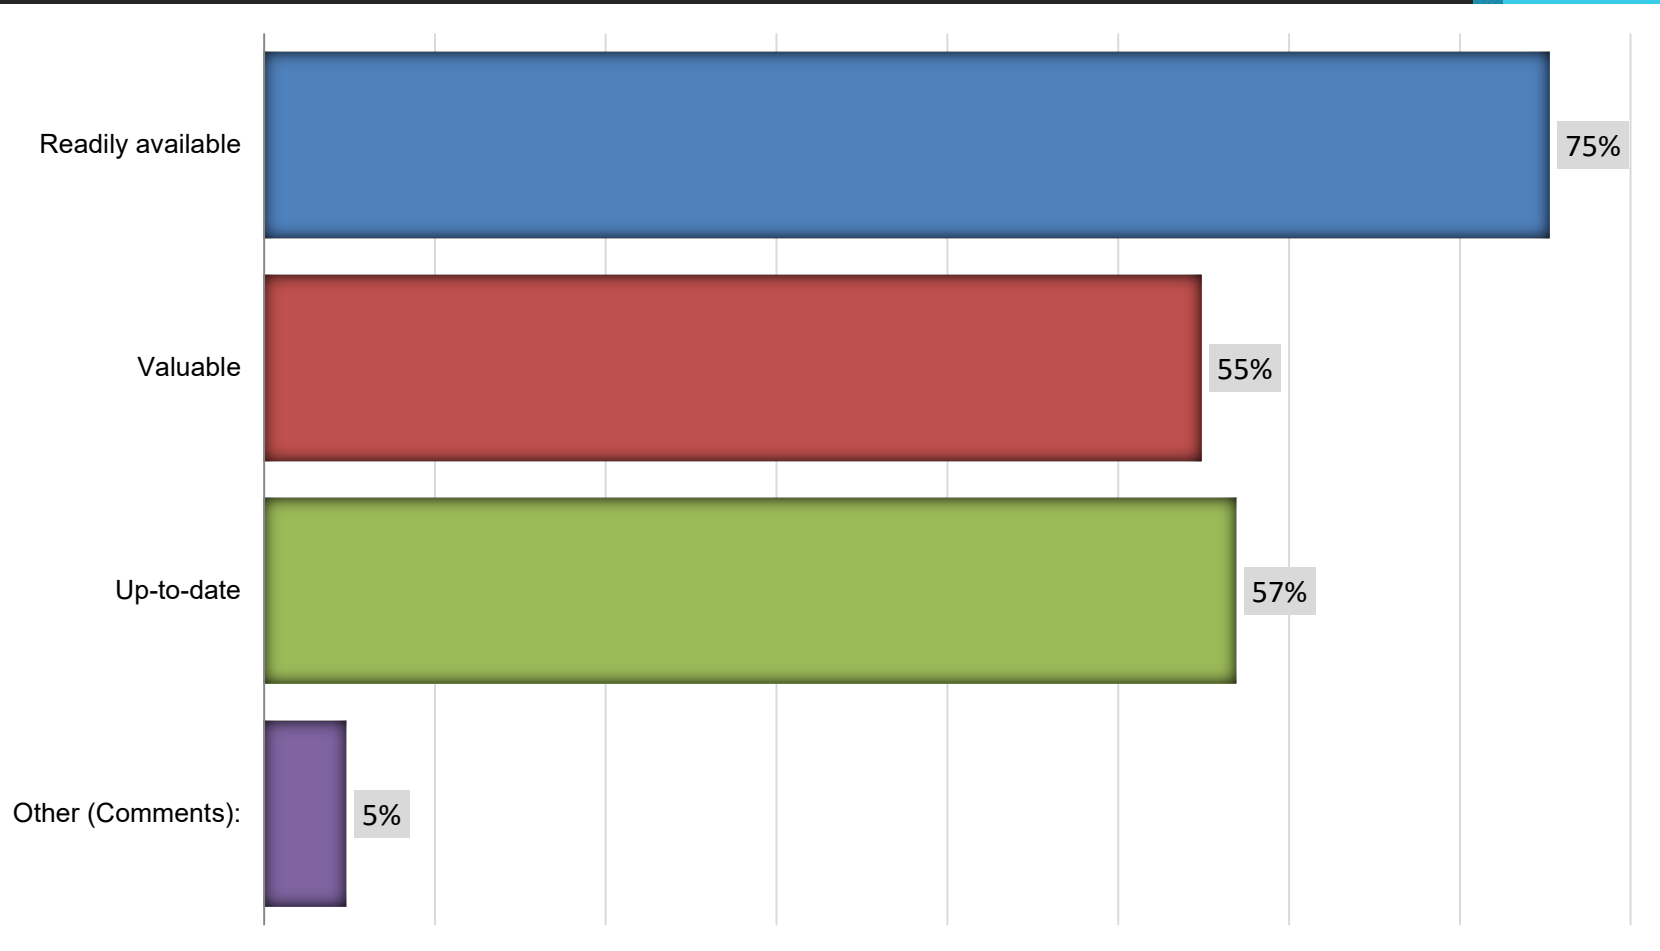

3,251 Students Responded

My ROP class included the following real world experiences:

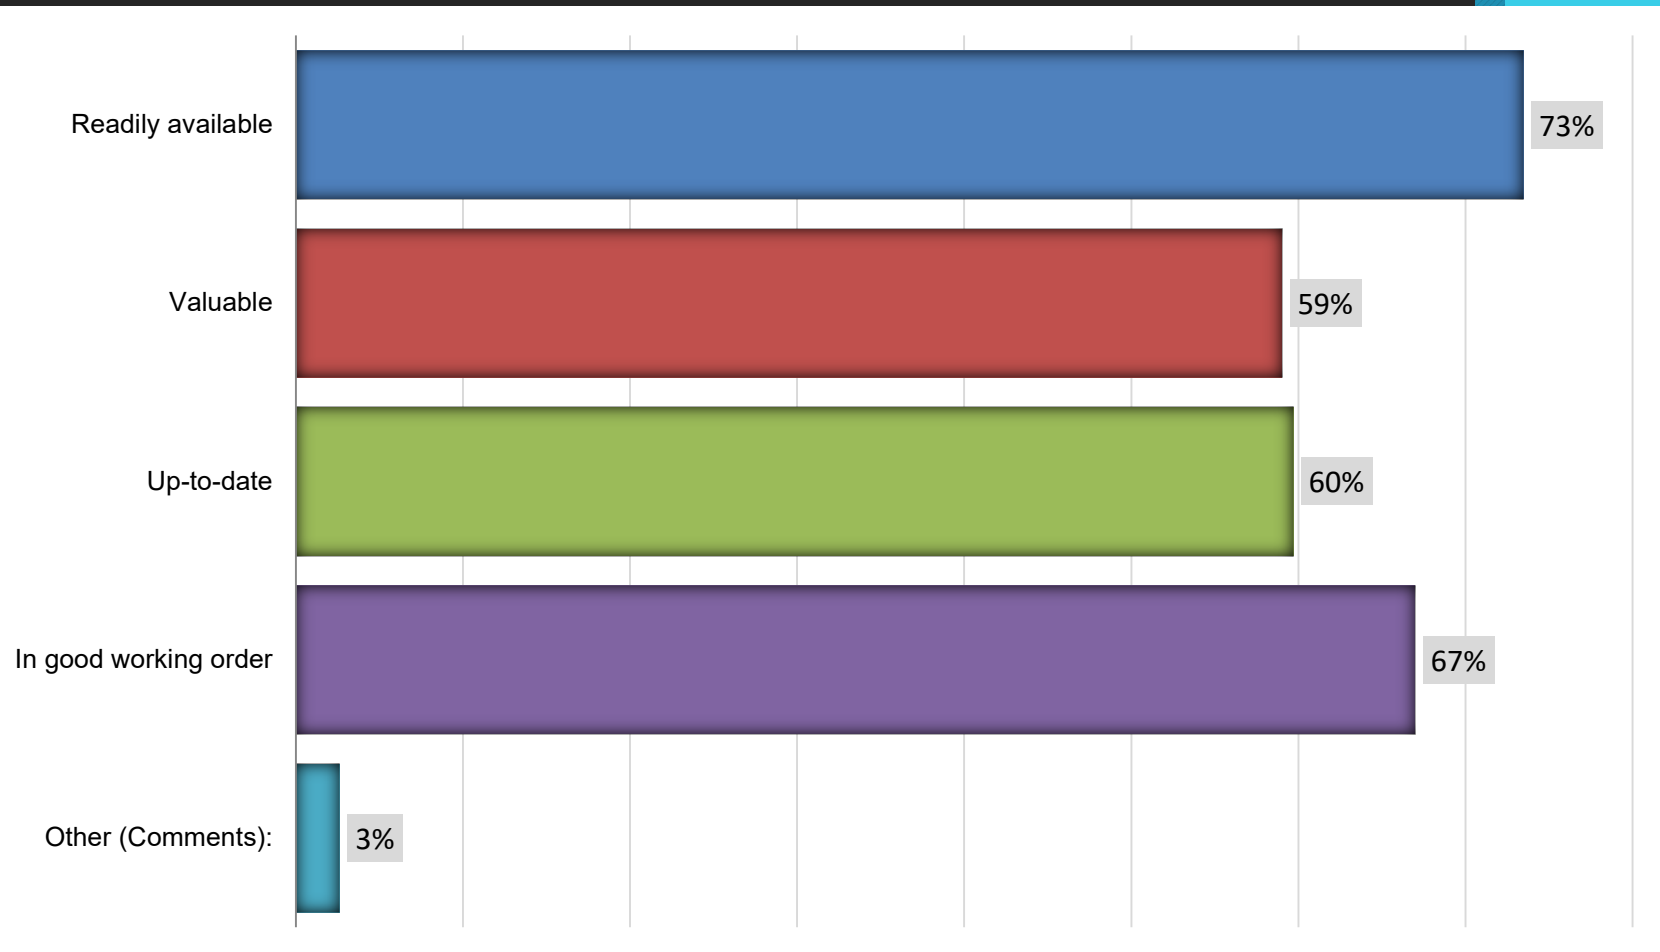

3,094 Students Responded

The textbooks, handouts and/or other learning materials provided by my ROP class were:

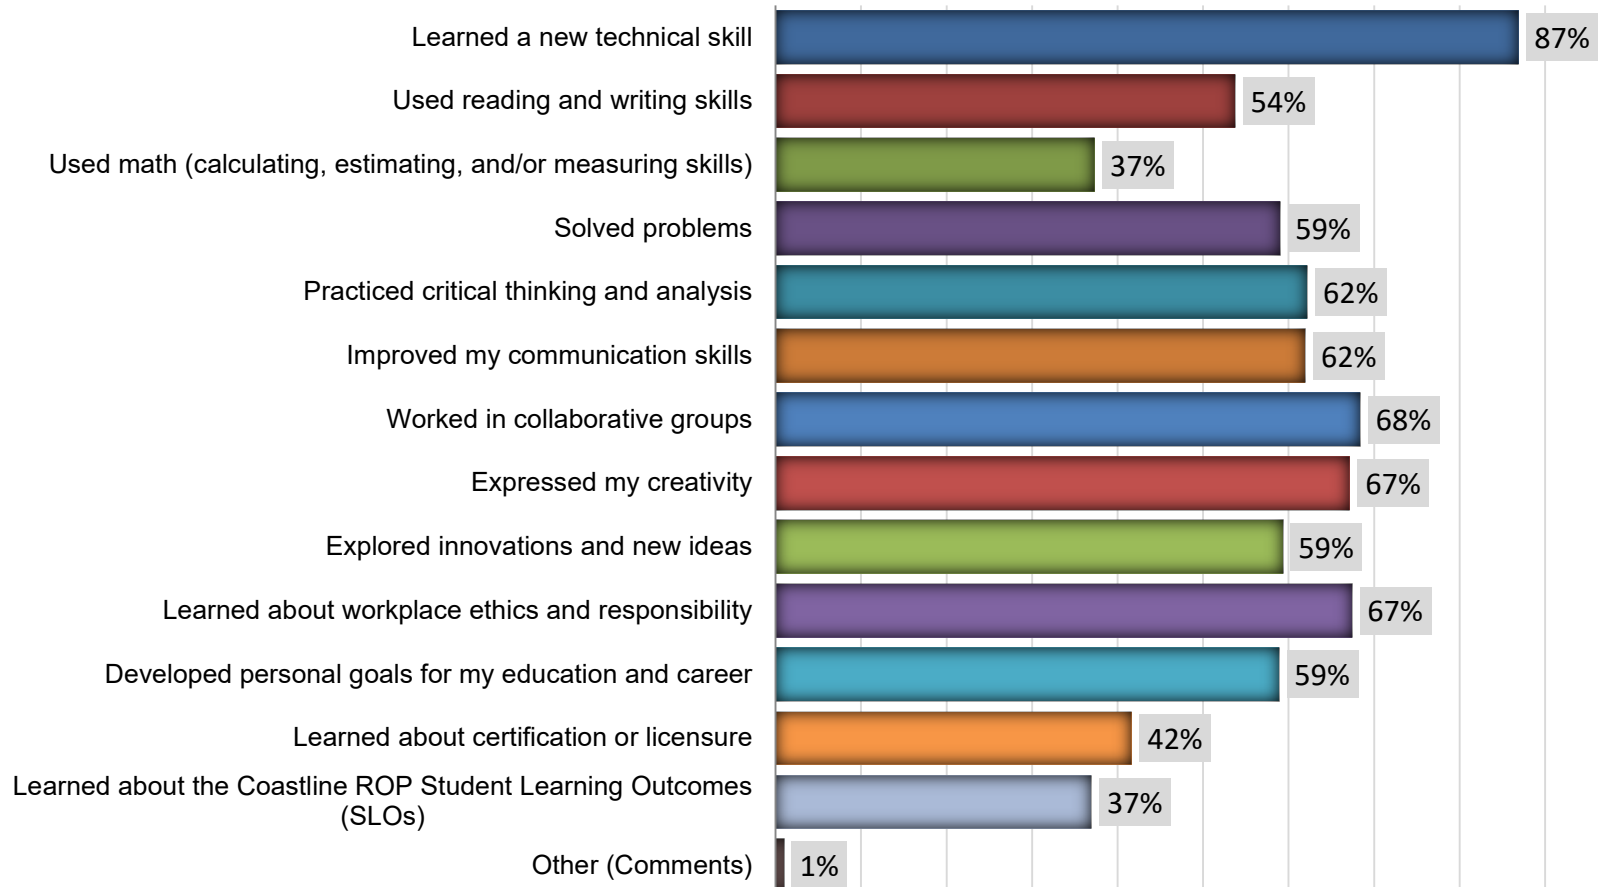

3,209 Students Responded

The technology and equipment provided by my ROP class were:

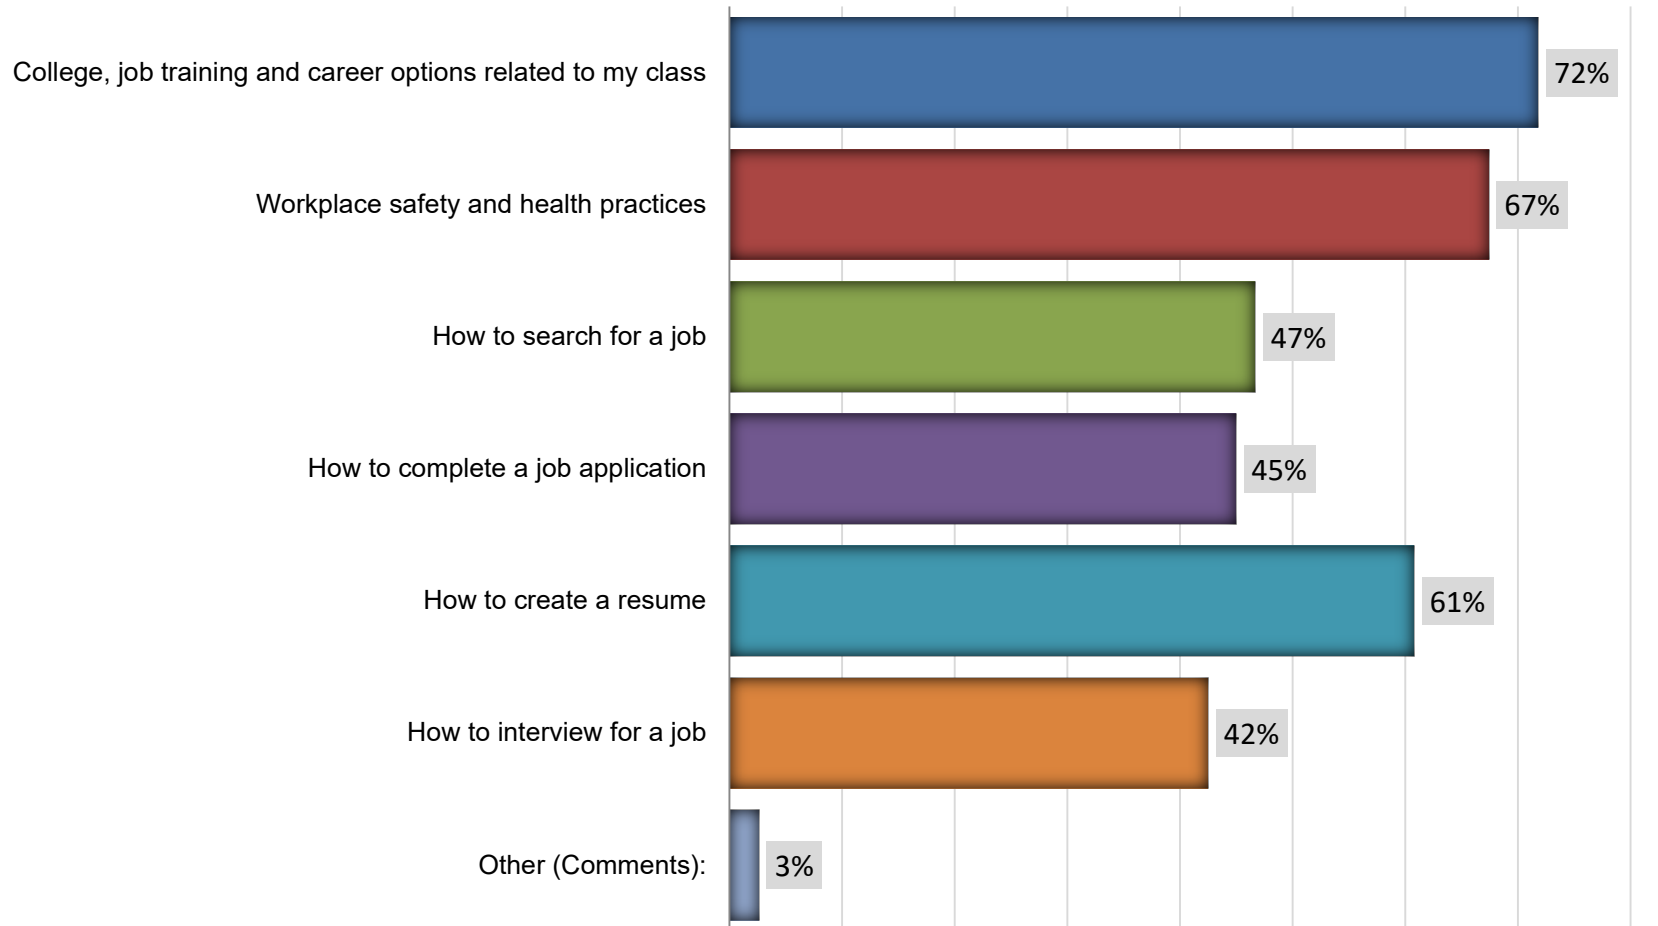

3,252 Students Responded

In my ROP class I:

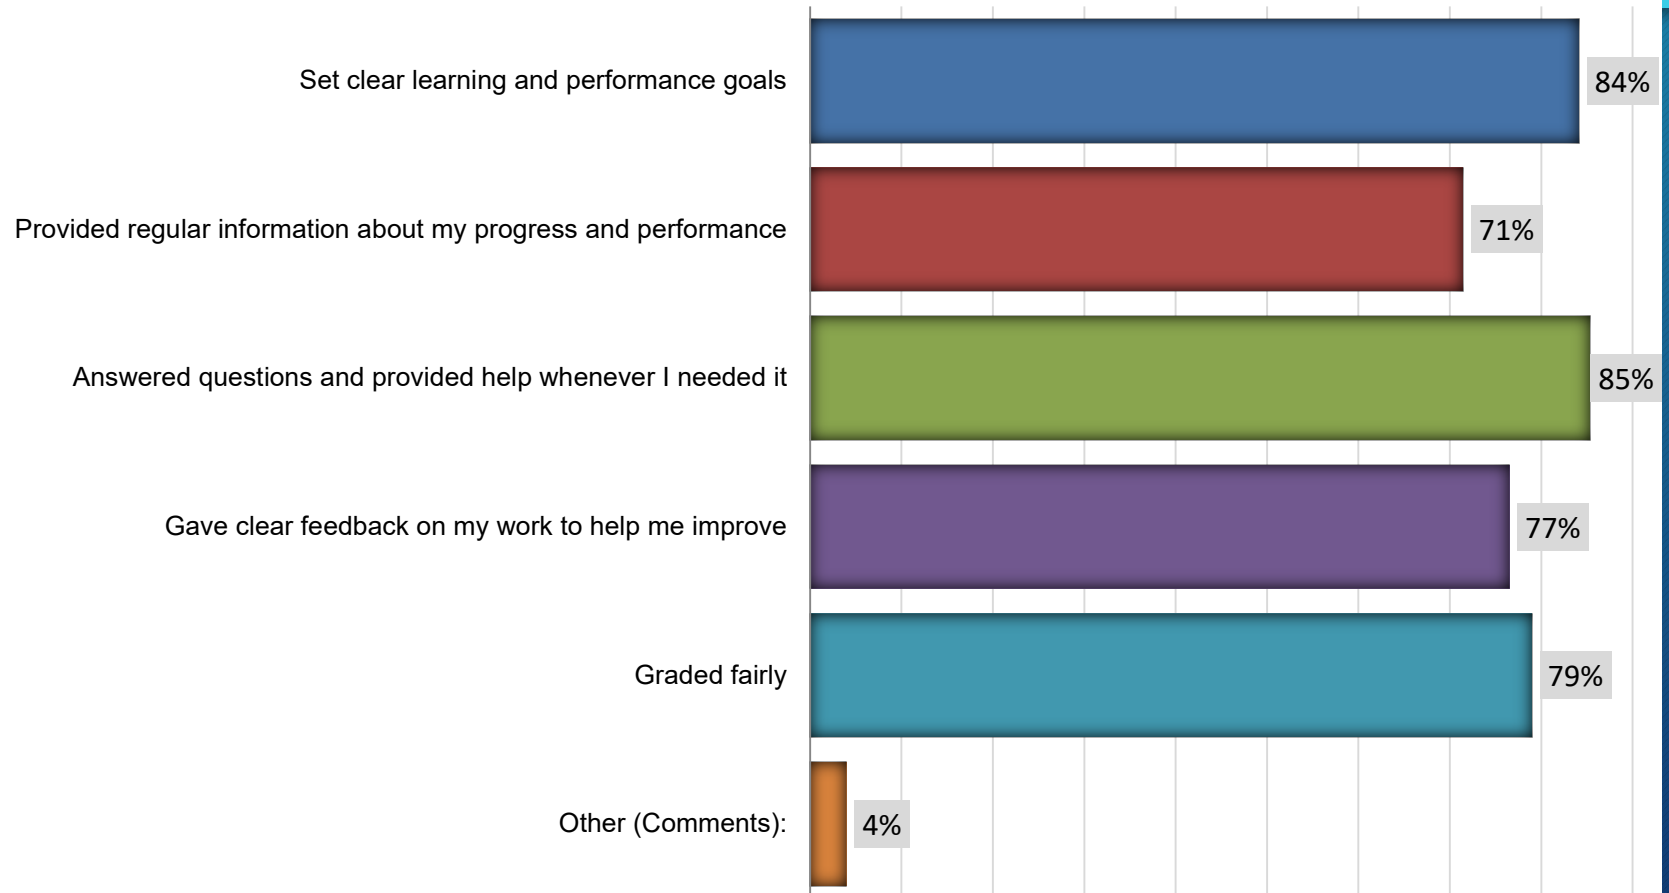

3,269 Students Responded

In my ROP class I learned the following career skills:

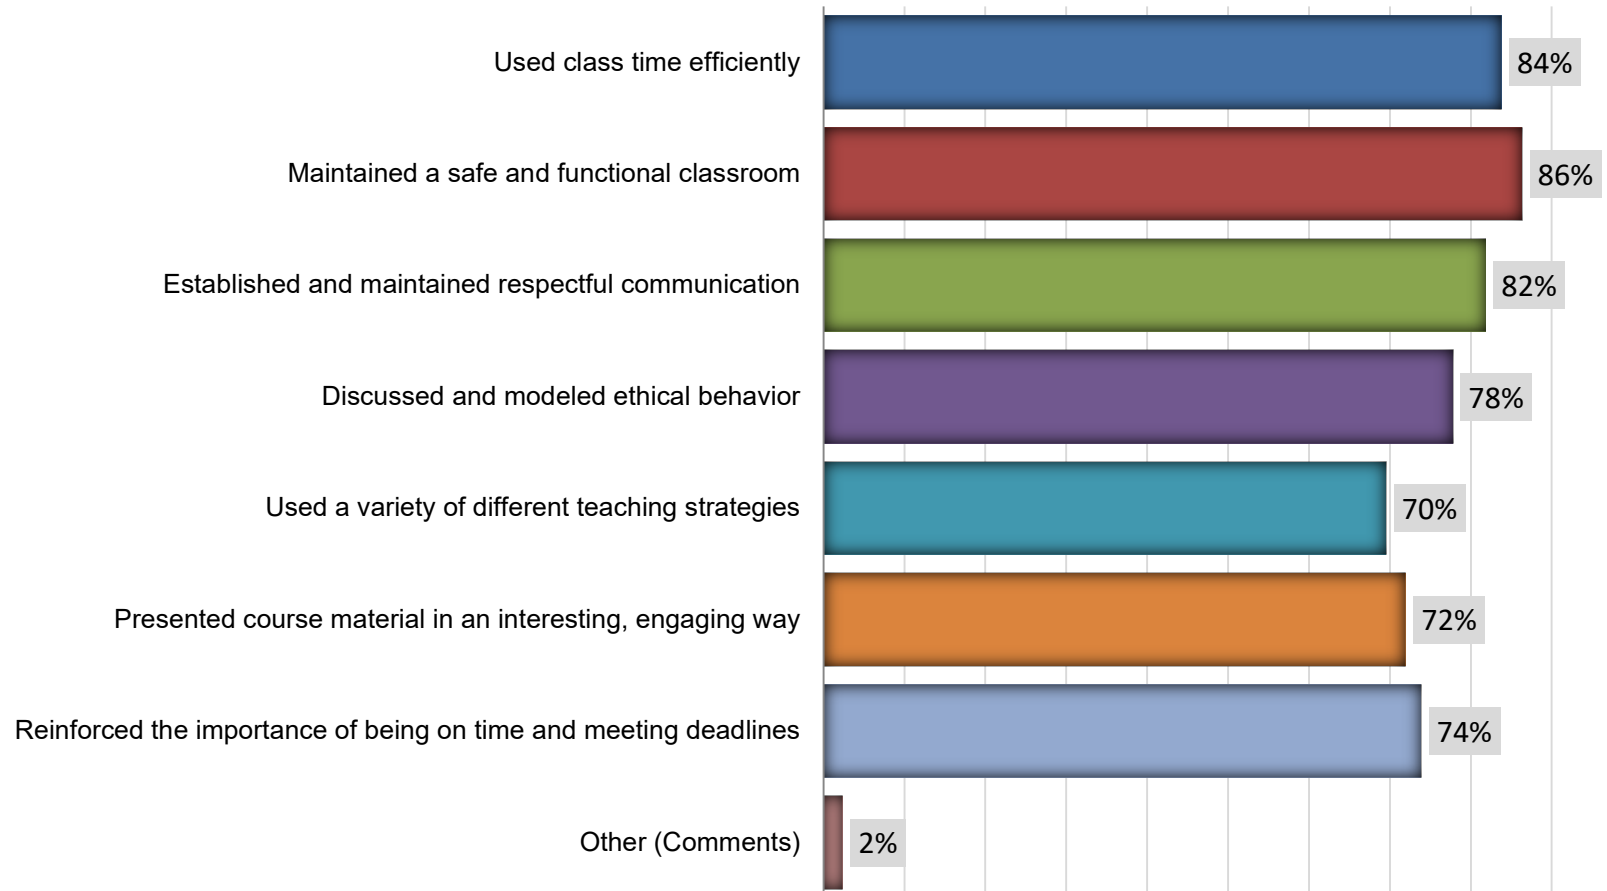

3,188 Students Responded

My ROP teacher:

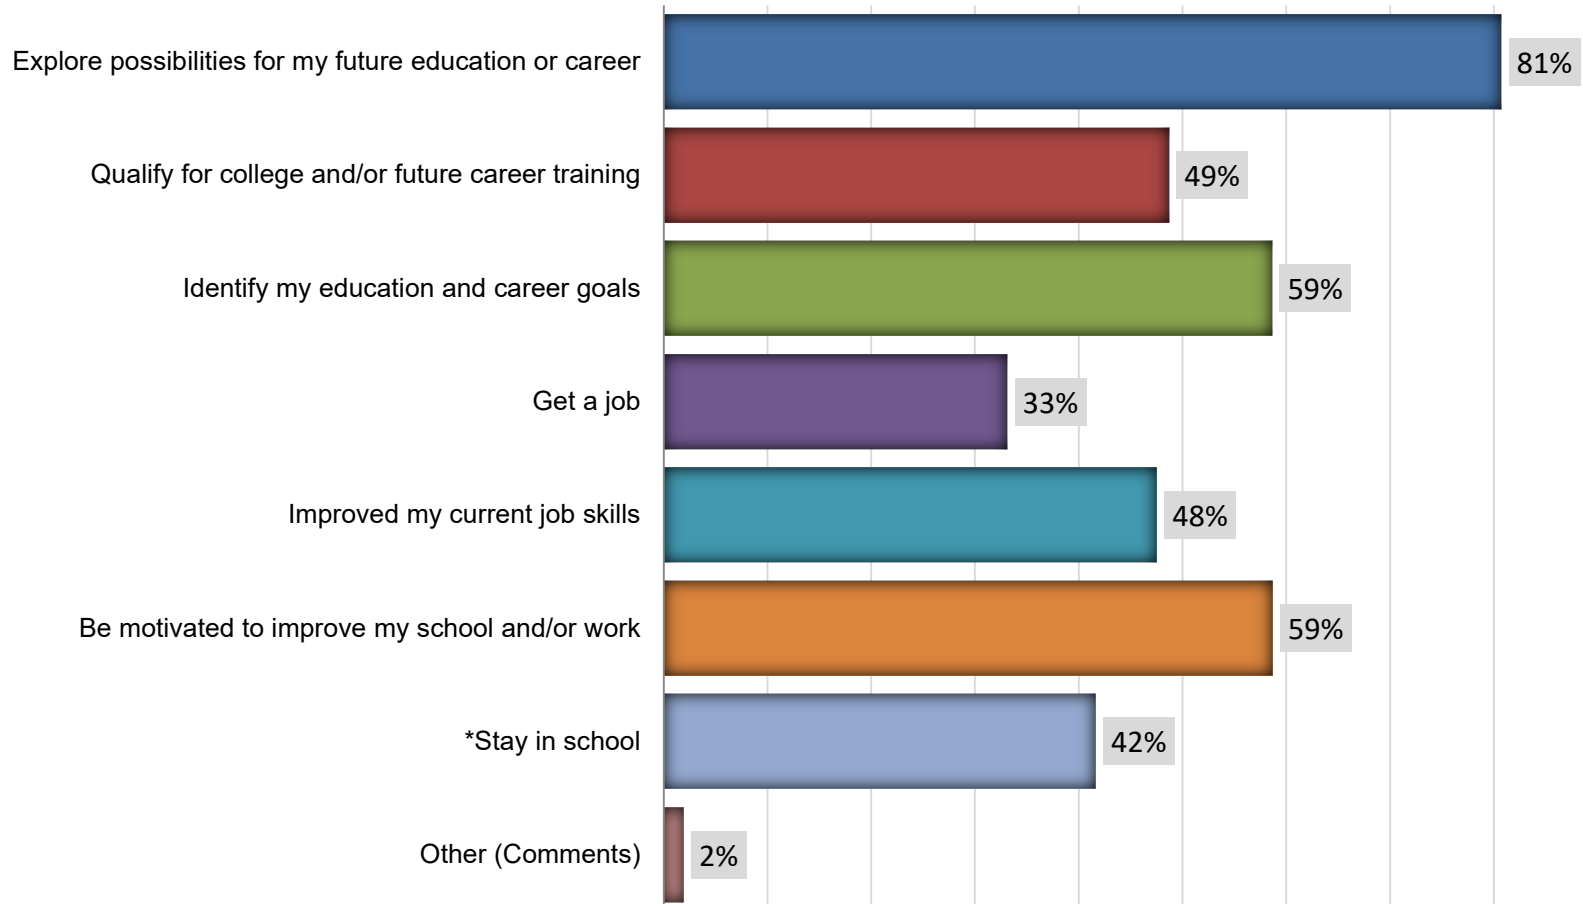

3,229 Students Responded

My ROP teacher:

3,252 Students Responded

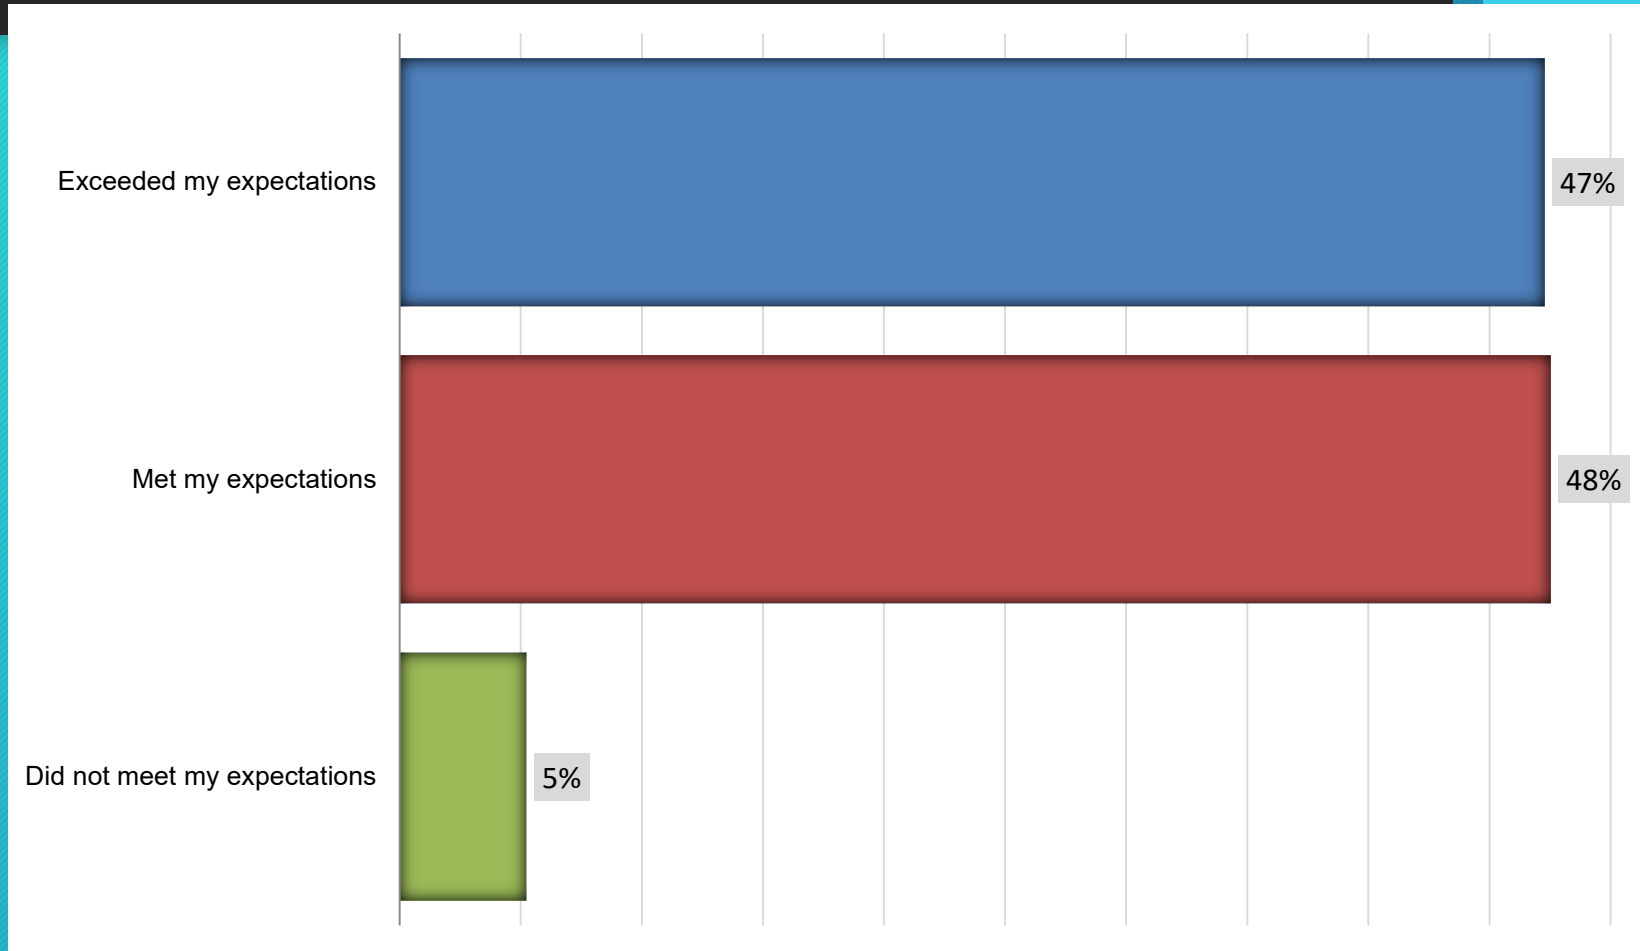

My ROP class was valuable in helping me to:

* High School Students Only

3,242 Students Responded

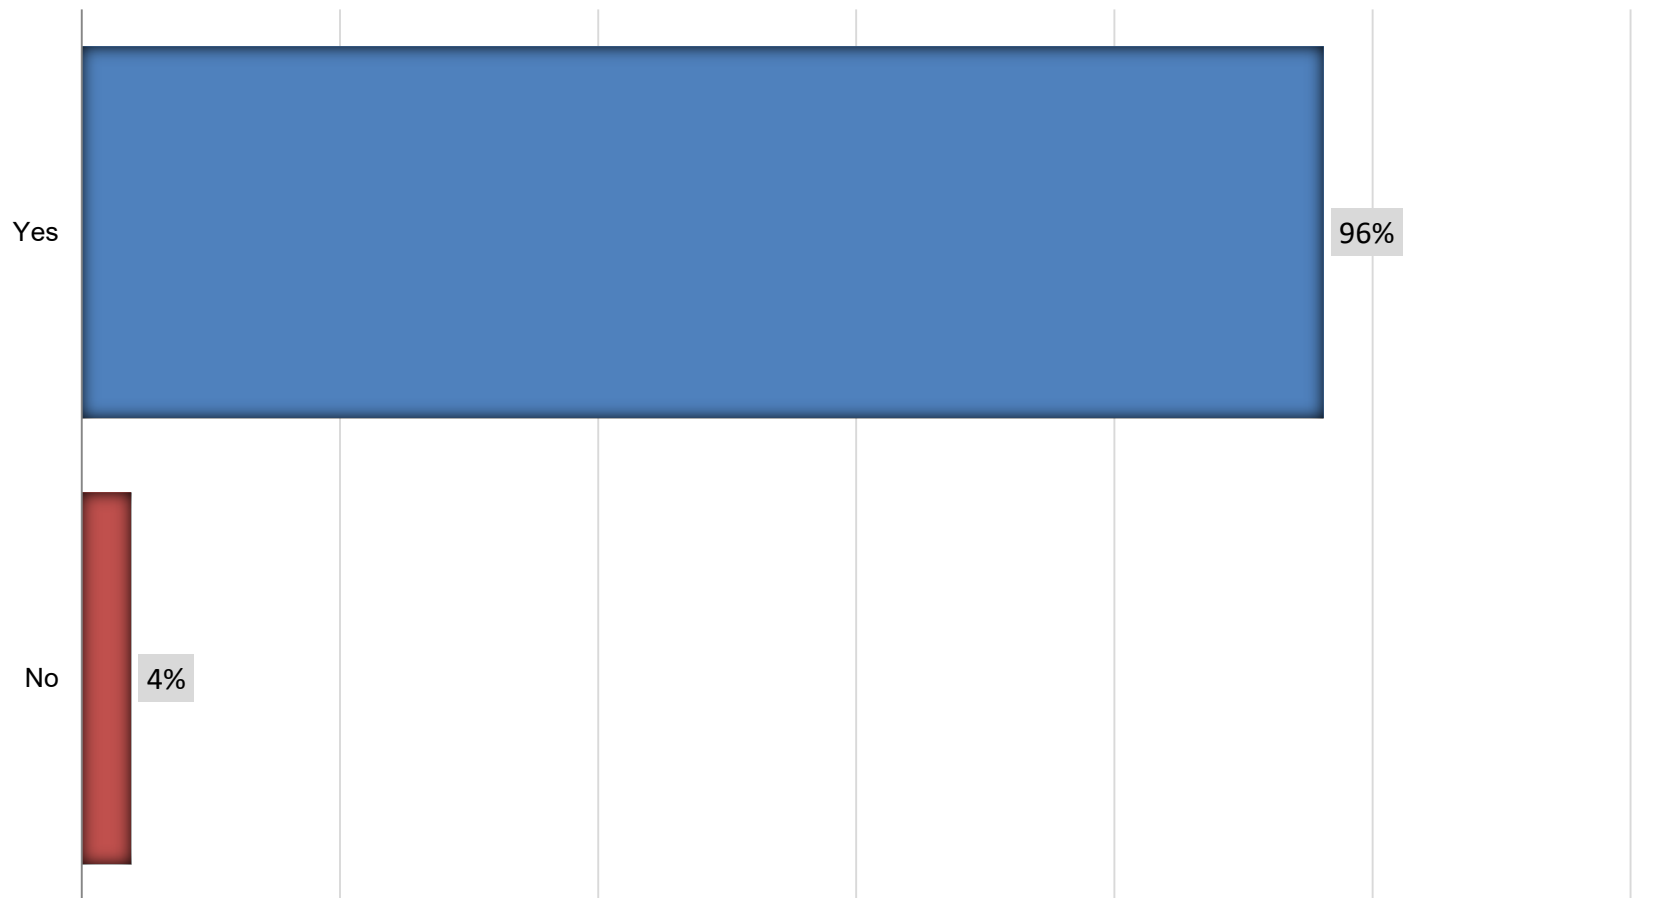

My ROP class:

* High School Students Only

3,252 Students Responded

I would recommend taking an ROP class to other students:

3,268 Students Responded
