The COVID-19 pandemic has created challenges in developing a firm schedule for the spring of 2021. The instructional delivery model (in-person, distance learning or a hybrid) may change as the situation dictates. The days and times for after bell classes are listed in the schedule assuming the class will meet in-person. This is also subject to change.

Please refer to our website at www.coastlinerop.net for up-to-date information or call 714-979-1955.
